General Enrollment Incentive for the 2010-2011 School Year

---

**Enroll by August 20th and receive 15 hours of free child care!**

**With the hiring of Carol Thomas as Executive Director, our sound financial position, and over thirty years of service in the Community, we have much to celebrate going into the new school year.**

**In addition to the many benefits that you and your child will receive from the great facility and dedicated, caring staff, the Board of Directors has decided to offer a little something for your pocket book.**

Parents who enroll their children at BLS by August 20th will receive 15 free hours of childcare through the School's Explorer's Club program.\* Explorer's Club provides a rich, yet relaxing environment for children 3-8 years of age and an opportunity to engage in indoor and outdoor activities that extend and enhance the classroom curriculum. Explorer's Club provides parents with the flexibility to drop-off and pick-up their children before and after their child's scheduled class times or simply on a drop-in, as-needed basis.

- This offer is open to all current and new BLS Families.
- Incentives are awarded for each child enrolled.
- Child must be enrolled in a Toddler, Pre-School, or Kindergarten program.
- School must have a completed enrollment form on file as well as payment of registration and material fee.
- Childcare provided on a drop-in basis. Parents should call ahead to ensure availability. This is typical for all drop-ins.
- As an alternative, parents can request to have their annual enrollment fee waived.

Please direct all inquiries to the attention of the BLS administrative staff, Jennifer Thramer or Jodi Carlson.
